September 20-21, 2004

Centers for Disease Control and Prevention

in partnership with

the Health Resources and Services Administration present:

Preparedness Education and Training: Where We Are

*A Forum to Convene Key Public Health Workers Involved in
CDC- and HRSA-Funded Terrorism Preparedness Education and Training Efforts*

September 20 - 21, 2004

Atlanta, GA

Meeting goals:

1. Discuss terrorism preparedness education strategies and expectations for funded recipients.
2. Facilitate discussions by regions/states to share available training resources and plans.
3. Provide input to CDC and HRSA regarding several unresolved preparedness education issues, including preparedness competencies and the use of learning management systems (LMS) for monitoring preparedness training.
